TurboCAD Windows Documentation Reference Manual. Along with other leading software companies, IMSI/Design is contributing to the green effort. User guide documentation for most products, including physical products, is now delivered in electronic .PDF format, making topics easily searchable.

## **DesignCAD Training Manuals**

Over the years of me using DesignCAD, I created a number of training manuals. These manuals are now out of date in relation to DC versions we have, so I am going to go back through them all and update them to reflect the present commercial release.
